RE: Fedex Shipment, Tracking #

I undersigned, Dr. _____, declare that the contents of this shipment contain one (1) human biological sample (cerebrospinal fluid, HTS code 3822.19.00.90) to be used for research purposes only.

Total net weight: 1kg

Country of Origin: Canada

The contents are **non-hazardous** and contain **no infectious material or biological agents**. The samples are shipped in a deactivation buffer that renders the sample noninfectious. The samples are NOT derived from any animal or cell culture products. These samples comply with all international and national regulations regarding the transportation of non-hazardous materials.

The contents have no commercial value, declared value for customs purposed only is **$60 USD**. See attached customs invoice.

The contents are being shipped to:

Delve Bio
953 Indiana St
San Francisco, CA 94107
USA

Reason for import: This material is neither toxic nor infectious and is intended for research use only.

Signed,

Dr. _____
